Dear Sir,

On behalf of Miss MYRA HESS, the famous English pianist, we are writing to enquire whether there is any possibility of your including this artist in your series of Music Club Concerts in the various Cities in Catalonia during the year 1934.

We think that Miss Hess' name may be known to you as an artist who has made an outstanding success in America, England, and Europe, having played with all the principal Societies and under the batons of the most famous conductors of to-day, particularly in America where she appears every year with the New York and Boston Symphony Orchestras.

Miss Hess is very anxious to have the opportunity of visiting your country and if therefore you see any possibility of offering her a series of dates the question of terms would not be an obstacle for a first appearance.

Miss Hess is known to Senor Don Pablo Casals, for whom we have the pleasure to act as business representatives in this

country, and he could give you any further information regarding this artist that you may require.

With compliments and with many thanks in anticipation of your reply,

We are,

Yours faithfully,
