Senor Manuel Clausells.

Dear Sir,

I am writing to ask you whether you can let me know by return of post the names of the Casals Quartet, together with particulars of their careers, their previous engagements, etc.

Could you also let me know which programmes you have chosen for the concerts of the Music Society Quartet in Spain, as I am anxious to know what music to bring with me.

We shall arrive at Barcelona by the morning train on the 17th and shall go straight to the Palace Hotel, where we shall hope to find a note telling us when we can have the pleasure of seeing you.

With best wishes and hoping to hear from you at an early date,

yours

very sincerely
André Mangeot
